†Sri R. M. PATIL (Minister for Home).—Mr. Speaker, Sir, in response to the Call Attention Notice, I beg to submit that on 1st April 1965 an accidental fire occurred in Salahalli, Ramadurga Taluka, Belgaum District, in which hay-stacks belonging to 19 persons were destroyed. The approximate value of the hay-stack destroyed is reported to be Rs. 4238. The Thasildar, Ramadurga Taluka and the Police Inspector visited the spot and with the help of the fire fighters of Gokak, extinguished the fire. The haystack was adjacent to the main road. On enquiry it is reported that the fire might have been caused due to by-passers throwing burning beedi or cigarette ends. No foul-play is suspected. There is no evidence of mischief. There is no loss of human life or animal life. No relief has been sanctioned by the Deputy Commissioner to the sufferers.

Mr. SPEAKER.—Before I proceed further, there was a call attention notice and a lot of clarifications were also sought with regard to the Gadag—Betegeri incident of food poisoning. The Hon'ble Minister for Education is placing on the Table of the House—he sought my permission and I have allowed it—regarding the deaths that took place at Gadag—Betegeri between 25th March 1965 and 9th April 1965. Hon'ble Members desirous can kindly go through. It is fairly exhaustive note covering a number of pages—6 to 7 pages. One copy will lie on the Table of the House. One copy will go to the Member who had raised the matter before the House and one or two copies are extra. Anybody desirous may read them and it will be on the Table of the House.
